About the University

The Khaja Education Society was established in the year 1958 and registered in the year 1966 under Mysore Societies registration act 1960 by Late Padma Shree His Holiness Janab Syed Shah Muhammed Al Hussaini Saheb the founder president. The society encompasses more than 24 educational organizations comprising primary, secondary and higher educational institutions under the minority society in Gulbarga. It has been working for the upliftment of all, irrespective of cast, creed or religion. Khaja Bandanawaz University is recognized as a private university on 23rd Aug 2018. This esteemed institution runs 8 Faculties such as, Faculty of Medicine, Engineering & Technology, Law, Languages, Arts Humanities & Social Sciences, Education, Commerce & Management and Sciences. It offers the foundation courses in these areas as well as bachelors, masters and Ph.D degree. The administration of the University is looked after by an eminent educationist Honorable Chancellor His Holiness Dr. Syed Shah Khusro Hussaini, Honorable Pro-Chancellor Syed Muhammed Ali Al Hussaini, Honorable Vice-Chancellor Dr. Ali Raza Moosvi Director Dr. Syed Mustafa Al Hussaini and respected Registrar (i/c) Dr. Ruksar Fatima. Khaja Bandanawaz University has a vision to create environment of motivation and accomplishment across various disciplines and harvest knowledge through high quality teaching, research and extended activities leading to the generation of disciplined and intellect students for the betterment of the society.

About the Faculty of Engineering and technology

The Engineering College was established in 1980 as Minority Institution and was formerly affiliated to Gulbarga University, then to VTU since 1998 and recognized by the AICTE, New Delhi. On 23rd August, 2018 the Faculty of Engineering and Technology came into existence under Khaja Bandanawaz University. The FoET campus is extended over 12.6 acres of land excluding 13 acre which are dedicated for playgrounds. Presently, the FoET offers five Streams of Under- Graduate Courses, Three Post-Graduate Courses: Computer Science and Engineering, Structural Engineering and Geo informatics and Five Research Centers: Computer Science & Engineering, Civil Engineering, Mechanical Engineering, Applied Physics & Applied Mathematics.

About the Department of Electronics & Communication Engineering

The department of Electronics and Communication Engineering was established in the year 1984. The major objective of the department is to impart high-quality education and to encourage the students in pursuing research. We aim to produce graduates who are not only high-tech, greatly sought after professionals with specialist understanding and skills in communication, and also have a firm knowledge of electronics engineering as a whole. E&CE have made our students competent to face the tough challenges of E&CE branch which emphasis on Communications, DSP, Microelectronics, VLSI, IoT, Embedded Systems, and Image Processing. Our department has good infrastructure and facilities to bring practical knowledge at par with the global competitive environment.

About the Work Shop

In an area where data is paramount and security is non-negotiable, this synergy of MATLAB, PYTHON and Cyber Security expertise has become Indispensible. This workshop is design to equip the participants with the essential skills and knowledge required to excel in these critical domain. To educate individuals about potential Cyber threats, best practices for safeguarding sensitive information and how to respond effectively in case of a security incident. This workshop will enable the students to learn many MATLAB commands and how to use them in programming to solve different problems. To introduce the audience with the beauty of Python and motivate the participants to enhance their programming skills for research activities.
